LEHI RECEIVES AWARD FOR POPULAR ANNUAL FINANCIAL REPORT

City Recognized for Outstanding Financial Reporting

Lehi, Utah | November 5, 2013 – The Government Finance Officers Association (GFOA) has recognized Lehi City with its Award for Outstanding Achievement in Popular Annual Financial Reporting. This award was presented for Lehi's Popular Annual Financial Report (PAFR) for Fiscal Year 2012. The PAFR is intended to present the financial and audit information contained in the Comprehensive Annual Financial Report (CAFR) in a way that is condensed and easier to read. The GFOA released the following statement regarding the award:

The Government Finance Officers Association of the United States and Canada (GFOA) has given an award for Outstanding Achievement in Popular Annual Financial Reporting to Lehi City for its Popular Annual Financial Report for the fiscal year ended June 30, 2012. The Award for Outstanding Achievement in Popular Annual Financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

In order to receive an Award for Outstanding Achievement in Popular Annual Financial reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability and reader appeal.

An Award for Outstanding Achievement in Popular Annual Financial Reporting is valid for a period of one year only. Lehi City has received a Popular Award for the last three consecutive years (fiscal years ended 2010-2012).

“Lehi City is committed to transparency, and this award is a testament to that continued commitment” said City Administrator Derek Todd. Todd continued, “The State of Utah does not require cities to create a PAFR, and Lehi is one of only a handful of Utah cities that received this award. We believe it is important that we do all we can to be as transparent as possible, and we will continue to strive to make our financial reporting something that is accessible to our residents.” Lehi's PAFR can be viewed on the City's website at the following link: <http://bit.ly/HFeOQc>.
